

**L.A. Care**  
HEALTH PLAN®

Dear Provider:

We are happy to announce that we have a new online member account called L.A. Care *Connect* that we are offering to L.A. Care Health Plan members. One of the features of L.A. Care *Connect* allows members to view or print their ID cards. This will allow them to present to their primary care providers or pharmacy a temporary card via a mobile device or printout.

As an L.A. Care Health Plan provider, please be aware that you may begin seeing these temporary ID cards presented to you via a mobile device or home printout. You are encouraged to treat them the same way you would an actual L.A. Care Health Plan member ID card, and continue to verify the member's eligibility.

Please post this information in your office for future reference. We're here to help. If you have any questions about this new member feature, please call our provider line at **1.866.522.2736**.

Sincerely,  
L.A. Care Health Plan
